

Air Sailing invites you to the 2021 Annual Safety Briefing Webinar (Registration Required**)**

Who: Members of Air Sailing

What: 2021 Annual Safety Briefing Webinar

Where: Zoom (live web meeting/conferencing platform)

When: Sunday, March 21, 2021, 6:00 PM Pacific

Why: Prior to their first tow of the year, pilots operating from Air Sailing Gliderport are required to:

- **Be accredited for an annual Safety Briefing**
- **Read the “[Airport Operations in the COVID-19 Environment Information](#)”**
- **Read the “[Operating Procedures Manual](#)”**
- **Sign the “[Operating Procedures Manual Certification](#)”**
- **Sign an annual [Waiver of Liability](#)**
- **Provide [proof of acceptable aircraft insurance](#).**

Attending this Safety Briefing Webinar will satisfy a portion of these requirements.

[Procedures](#) to return your “Operating Procedures Manual Certification”, waiver of liability, and provide proof of acceptable aircraft insurance will be announced.

What If I Can’t Make It?: This webinar will be recorded or you may receive a [personal safety briefing from a briefer](#).

How: Register in advance (or cancel your registration at any time) for the 2021 Annual Safety Briefing Webinar using the registration link provided in your invitation which was e-mailed to members of Air Sailing. If you did not receive an invitation, request one from [David Volkmann](#).

IMPORTANT: Keep your registration confirmation so you'll be able to use the join webinar link within. If you lose your confirmation, simply re-register.

Special Circumstances: Due to current special circumstances and rapid changes to the COVID-19 situation, all information in this message is subject to change.
