

Air Sailing invites you to watch the recording of the 2022 Annual Safety Briefing Webinar

Who: Members of Air Sailing who may have missed the live webinar and would like to receive a safety briefing

What: The recording of this Safety Briefing Webinar (runs 1 hour and 46 minutes, in 5 parts)

Where: Zoom (recording)

When: Available through Wednesday, August 31, 2022

Why: Prior to their first tow of the year, pilots operating from Air Sailing Gliderport are required to:

- **Be accredited for an annual Safety Briefing**
- **Read the [“Airport Operations in the COVID-19 Environment Information”](#)**
- **Read the [“Operating Procedures Manual”](#)**
- **Sign the [“Operating Procedures Manual Certification”](#)**
- **Sign an annual [Waiver of Liability](#)**
- **Provide [proof of acceptable aircraft insurance](#).**

Watching this recording of the Safety Briefing Webinar and following the accreditation steps below will satisfy the first of these requirements.

What If I Can't Watch It?: You may receive a [personal safety briefing from a briefer](#).

How: For accreditation, follow these steps:

- 1) While watching, take careful note of each poll's phonetic alphabet designation
- 2) Include each poll's designation on your [Operating Procedures Manual Certification](#)
- 3) [Watch Part One](#)
- 4) [Watch Part Two](#)
- 5) [Watch Part Three](#)
- 6) [Watch Part Four](#)
- 7) [Watch Part Five](#)
- 5) Follow the [document procedures](#) or [procedures video](#) to return your OPM Certification

Special Circumstances: Due to current special circumstances and rapid changes to the COVID-19 situation, all information in this message is subject to change.
