

## Driving Directions to Air Sailing Gliderport

1. Get a map and find Reno, Nevada.
2. I80 runs E/W thru Reno.  
The Nugget Casino is a famous landmark located at the intersection of I80 and I445 (Pyramid Highway to Pyramid Lake).  
Take I445 North towards Pyramid Lake.  
Set your trip odometer to zero (TD=0).
3. At TD=7.7 miles you will pass thru the main intersection of Spanish Springs.  
The cross street is Eagle Road/Los Posados.  
There are 2 gas stations and a Walgreens on the corners.  
This is the last “civilization” that you will pass thru.  
Continue straight on I445 into the desert.
4. At TD=16.8 miles you will come to the turnoff for Winnemucca Ranch Road to the left.  
Reset your odometer to zero.  
Take Winnemucca Ranch Road and stay on it.  
Travel 6.5 miles (TD~23.3) to reach the Air Sailing turnoff on the right.  
About half-way down Winnemucca Ranch Road the surface turns from asphalt to gravel. You will probably want to slow down before you hit the gravel.

Note: Air Sailing is out in the middle of the desert. If you are making this trip for the first time, or if you are traveling at night, it is easy to get lost and hard to recover. Pay attention to these directions.

Note: Certain Smartphone navigation applications will show alternate routes to reach Air Sailing. Technically there are other roads out there, but you don't want to be on them.

For the verbally challenged, here's a map.
