Check the Tow Pilot Schedule first

You may request a Tow Pilot by entering your request onto the **Tow Pilot Schedule**.

And, send them an E-Mail at:

Subject: Need Tow Pilot on Day/Date

Tow Pilots will be automatically scheduled for these days. They will be available starting at Noon. To support earlier training flights contact the scheduled Tow Pilot directly.

This approach guarantees a 4 day weekend for those members traveling from distant locations.

Be sure to check the Tow Pilot Schedule before coming out.

Air Sailing, Inc. is a not-for-profit, tax exempt membership organization established in 1970. In 1997 Air Sailing received a patent from the U.S. Bureau of Land Management to operate an educational soaring facility on the site in perpetuity. That secures soaring as a part of the Palomino Valley's vibrant and growing recreational landscape for the foreseeable future.

Revenue is derived from [memberships](#), [donations](#), [fund raising](#), an annual banquet, [educational soaring events](#), [hangar/tiedown fees](#) and [tows](#).

The gliderport is located in the Warm Springs Valley, just 25 miles northeast of Reno, Nevada.
