

Air Sailing invites you to the 2020 Annual Safety Briefing Webinar (Registration Required**)**

Who: Members of Air Sailing

What: 2020 Annual Safety Briefing Webinar

Where: Zoom (web meeting/conferencing platform)

When: Wednesday, May 27, 2020, 7:00 PM Pacific Time

Why: Prior to their first tow of the year, pilots operating from Air Sailing Gliderport are required to:

- **Receive a safety briefing,**
- **Read the “[Air Sailing Gliderport 2020 Operating Procedures Manual](#)”,**
- **Certify their understanding of that manual by signing the “Operating Procedures Manual Acknowledgement Log”, and**
- **Provide proof of acceptable aircraft insurance.**

Attending this Safety Briefing Webinar will satisfy a portion of these requirements. (A subsequent safety briefing webinar discussing airport operations in the COVID-19 environment may also be required [details to be announced].)

The Operating Procedures Manual is available for download on the Air Sailing website.

Procedures for signing the acknowledgement log and providing proof of acceptable insurance will be announced.

What If I Can't Make It?: This webinar will be repeated or you may receive a [safety briefing from a briefer](#).

How: Register in advance (or cancel your registration at any time) for the 2020 Annual Safety Briefing Webinar using the registration link provided in your invitation which was e-mailed to members of Air Sailing. If you did not receive an invitation, request one from [David Volkmann](#).

Special Circumstances: Due to current special circumstances and rapid changes to the COVID-19 situation, all information in this message is subject to change.

Questions?: Contact [David Volkmann](#).
